WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D. C.

ORDER NO. 147

Served May 2, 1962

IN THE MATTER OF:

Application of D. C. Transit System,)
Inc., to extend the Capitol Hill)
Express, operated under Temporary)
Authority.)

Application No. 204

By Order No. 74, issued October 25, 1961, this Commission gave D. C. Transit System, Inc., temporary authority to operate the Capitol Hill Express for a period of one hundred eighty (180) days, commencing December 4, 1961.

D. C. Transit System, Inc., has filed an application to extend the service to the S. W. Mall, over a route described in the application.

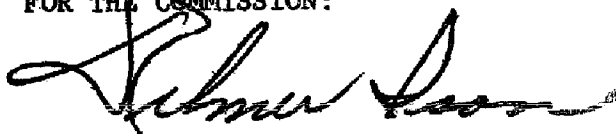

The carrier proposes to continue the existing fare, and transfers for continuation of ride on connecting lines. Additional equipment will not be required.

The Commission finds that the proposed extension is necessary to determine the feasibility of this experimental service and is in the public interest, that there is no carrier service capable of meeting the experimental need, and that there is an immediate and urgent need for such extended service.

THEREFORE, IT IS ORDERED:

1. That the Capitol Hill Express service, heretofore authorized by Order No. 74, be, and it is, hereby extended to the S. W. Mall, over the route described in the application.
2. That this extension shall have no effect on the expiration date of the temporary authority heretofore authorized in said Order No. 74.

FOR THE COMMISSION:
